DETAILED ACTION

Allowable Subject Matter

Claims 1-13 are allowed.

The following is an examiner's statement of reasons for allowance:

The applied references fail to disclose or suggest the specific step of operating the first gas generation at starting phase with a power rating greater than its power rating at normal operating phase wherein the power rating at normal operating phase is greater than zero and after the end of the starting phase the second gas generation unit is operating with a power rating greater than the power rating of the first gas generation unit in combination with the additional steps recited therein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tom P. Duong whose telephone number is (571) 272-2794. The examiner can normally be reached on 8:00AM - 4:30PM.
